Play aggressively or control the battlefield, discover new card combos and strategies. Create your deck, create your game.Prove you are worth of your title as a God in ranked games, try new decks and challenge your friends in duel mode and become the final Titan in tournaments.

The battlefield is your ally

Luck was never an option. In Rise of Titans, strategy matters. Plan in advance, foresee your enemy's moves and counter them. 97 hexagonal positions and modifiable environment: Hide in forests, protect yourself in the mountains, destroy cities, create volcanoes. Outsmart your enemy and become the God among gods.

The mysterious world of Zorocu

A mysterious and powerful entity has managed to control and bend history to their will. The greatest heroes and gods have asked for many favors, but they are still waiting for their payment… Centuries have gone by and it's time for them to be repaid in this mythological battle.The greatest Gods from ancient civilizations are now trapped in Zorocu, and to escape, they'll have to fight to find eternal peace… or death. Will you incarnate Atenea, Greek goddess of wisdom and war; Ullr, the Norse god of archery and battle; or Isis, the Egyptian goddess of magic and spiritism?
